July 11 – 12, 2024	PIM, Islamabad	Rs. 31,000/=
Nov 28 – 29, 2024	PIM, Islamabad	Rs. 31,000/=

Course Description

Taking risks is part of doing business. Being professional managers, it is important to forecast and assess the risk before decisions are made. Managing risk is an inherent part of delivering organizational success today. In an uncertain complex world with increased risks from societal, environmental, and operational factors, the role of a future-ready Risk Manager is critical for any successful business.

This course covers the fundamentals of enterprise risk management in a dynamic and interactive learning environment. This will help you to learn how to evaluate the risks your organization takes and understand how to minimize their impact using industry best practices.
